

Ashok Leyland Partner 6 Tyre

Vehicle type

Universal cargo truck

Gross weight, kg	7 200
Chassis payload, kg	4 876
Engine power (Euro 5), hp	140
Length ,mm	5 945
Chassis wheelbase, mm	3 320

Equipment

- | | |
|----------------------------------|-----------------------------------|
| • Anti-lock braking system (ABS) | • Daytime running lights |
| • Air conditioning with heater | • Halogen headlights |
| • Power steering | • Fog lights |
| • Steering column adjustment | • Mobile charging point 12V |
| • Hydraulic brake system | • Speed limiter |
| • Windscreen heater | • Front and rear mudguards |
| • Heated mirrors | • Adjustment of the driver's seat |

Specification Ashok Leyland Partner 6 Tyre

Engine	
Model	ZD30 (Euro-V)
Number of cylinders	4 in a row
Type	DDTi
Displacement, litres	2 953
Maximum power at 2750 rpm.	140 к.с
Maximum torque (N/m) at 1350 - 2750 rpm.	360
Gearbox	
Type	Mechanical 5-speed
Weight parameters	
Gross vehicle weight (kg)	7200
Chassis kerb weight (kg)	2324
Chassis payload (kg)	4876
Overall dimensions	
Overall dimensions of the chassis L/W/H, (mm)	5945 x 1850 x 2200
Wheelbase (mm)	3320
Track gauge (mm)	1612 / 1492
Maximum lift to be overcome (%)	33
Minimum turning radius (m)	13.5
Minimum ground clearance (mm)	194
Basic equipment	
Maximum speed (km/h)	70 & 90 (speed limiter)
Tyres	215/80 R17.5
Fuel tank	90 л
Rechargeable batteries in Ah	1x75
Generator (without AC/AC in A)	70 / 150 (1 x12B)
Brake system	Hydraulic with vacuum support
